

## SDL GRID OPTIONS

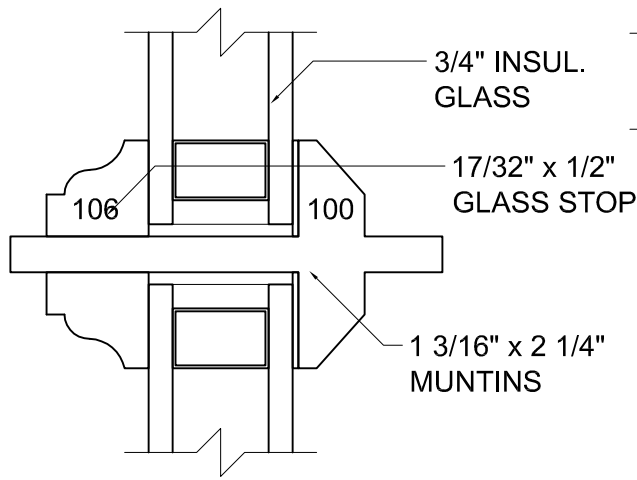

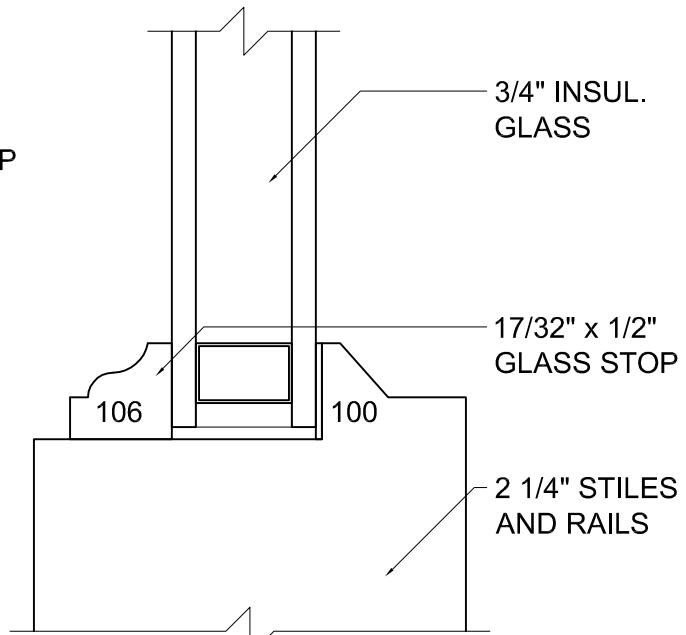

# *Series 5000*

---

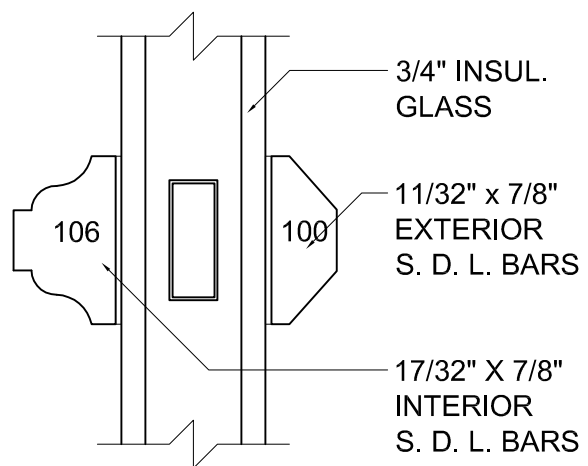

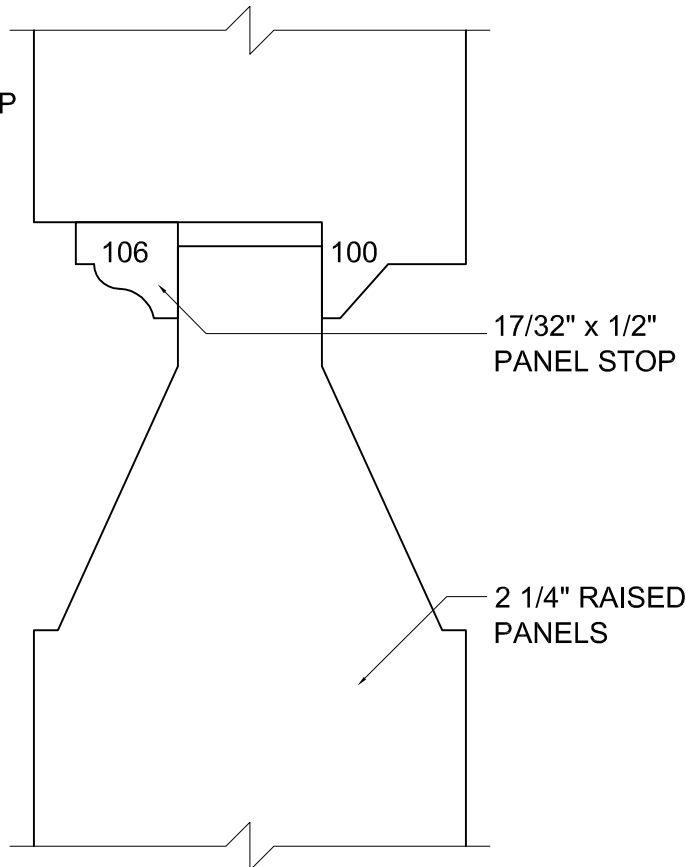

As the Series 5000 FoldUp™ is based on the *HeartWood Fine Windows & Doors* design platform all muntins, both SDL and TDL, are generally available. The following pages outline these many options. If you do not find a design that suits your requirements, custom muntins may also be available at an additional charge. Please consult your FoldUp™ representative with any questions.
